Respected Director S & A C.O. E.C.H.S.,

In public interest, I am going to celebrate victory by exposing a little fight between the Indian Military and the politicians of the ruling party of the Government of India, who are harassing the aged and helpless Ex-servicemen and their dependents by forcing the new rule namely Central Drug List (CDL 2023/2024) down their throats and denying reimbursement of the cost of purchased medicines Not Available at polyclinics, thereby jeopardising the Bapuji Cake Health Scheme (E.C.H.S. and C.G.H.S.).

I am, therefore, going to publish in the internet the herewith attached documents having the following details:
